## WHO WE ARE

Since 1999 our company produces disposable items in Non Woven Fabric, paper and plastic for the various sectors, aesthetic, healthcare, catering, hotel and industry.

In the last few years, we have been asked by companies that require the supply of our standard disposable articles or the realization of their project.

The sectors served have therefore grown, we produce face masks, face and body patches, bandages, hair removal strips, streaks, sheets, sanitary towels, cleaning cloths and items on specific customer request.

WE REUSE TO PRODUCE WHAT THE CUSTOMER REQUIRES  
**NOT ONLY STANDARD ITEMS**
